

Present

Grand Rounds Case Conference February 29, 2012

8:00 AM – 2-137 Jackson Hall

Sophia L. Yohe, MD

Assistant Professor, Special Hematology, Laboratory Medicine & Pathology,
University of Minnesota

“Developing a Next Generation Sequencing Platform for Clinical Testing”

Upon completion of the activity, participants should be able to...

- Compare next generation sequencing to traditional Sanger sequencing
- Identify barriers to next generation sequencing
- Assess applicability of next generation sequencing for clinical and research testing

Sponsored by University of Minnesota

Accreditation Statement:

The University of Minnesota is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Minnesota designates this educational activity for a maximum of *AMA PRA Category 1 Credit(s)*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physician assistants, nurse practitioners, nurses, and other health care professionals who participate in this CME activity may submit their Statements of Attendance to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.
