

*We would like to thank the following individuals  
and organizations for their generous contributions:*

American Preclinical Services  
Excelen  
Medtronic

University of MN Anatomy Bequest Program  
University of MN Dental School  
University of MN Department of Emergency Medicine  
University of MN Medical School  
University of MN Mortuary Science Program  
University of MN Physical Therapy Program

*Please remember to take a paper leaf  
ornament before you leave.*

Like the seeds of wildflowers in the wind, donors' contributions to medical research and education will spread far and wide. They have given the ultimate gift, with the power to improve medical care and drive life-saving breakthroughs for generations. In honor of our first teachers, we share our gratitude with this gift of wildflower seeds.

The paper ornament is embedded with wildflower seeds. Hang it in a special place until spring. When you are ready to plant, soak the paper in a glass of water for a day. Plant under a thin layer of soil. Water daily and keep moist until seedlings are well established.

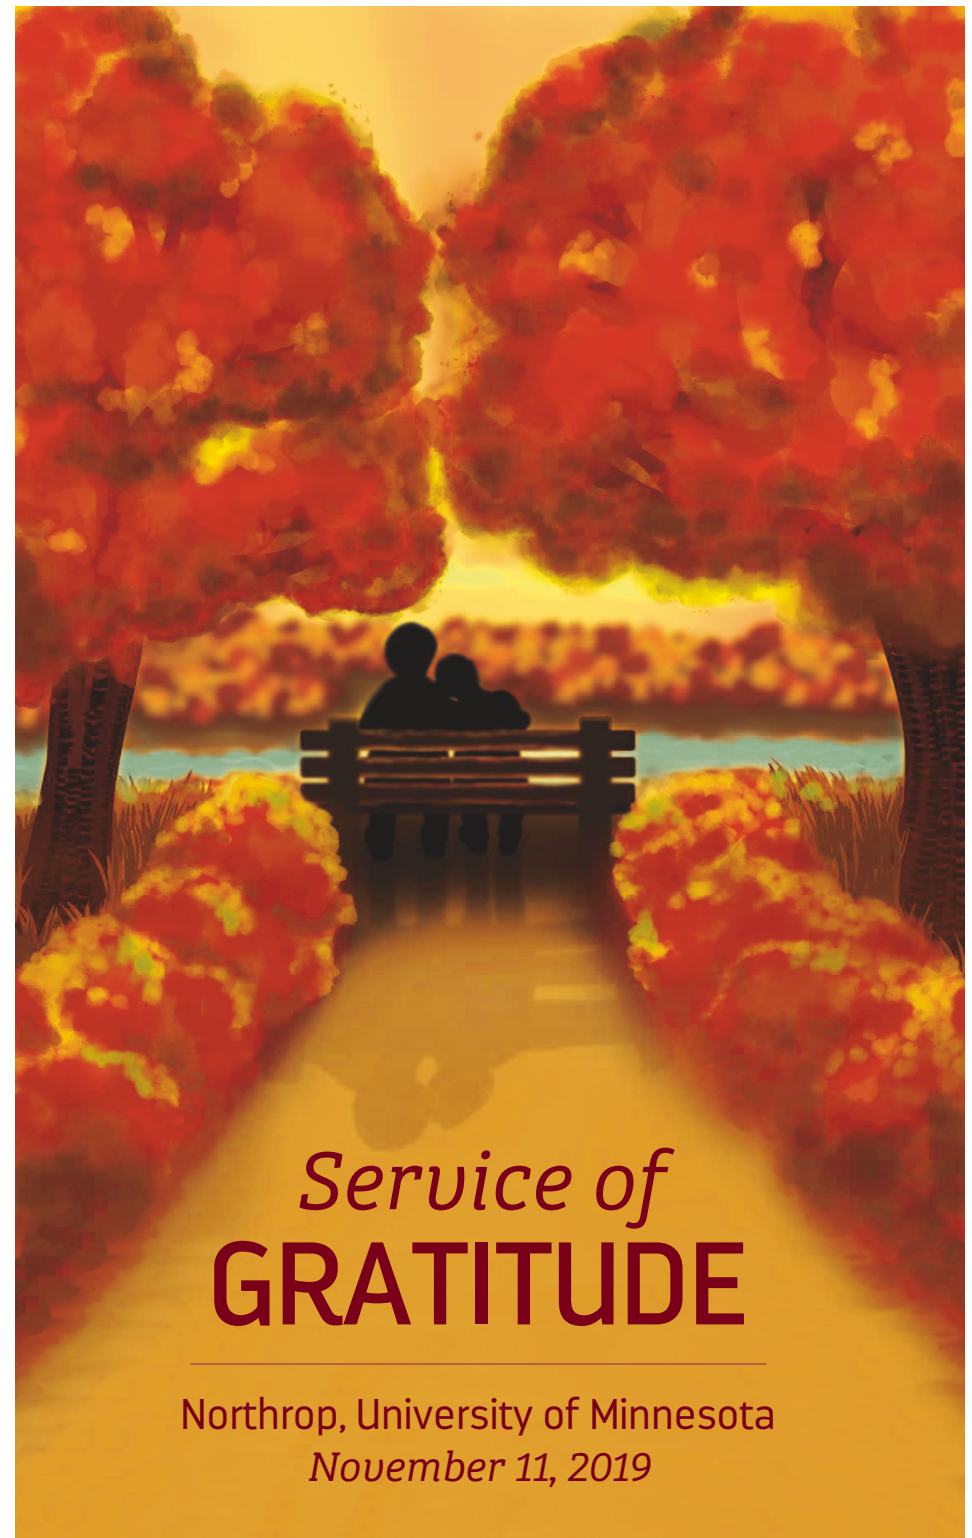

*A special thank you to our beloved veterans.  
We are forever grateful for your service.*
