The University of Minnesota Foundation and the University of Minnesota Medical School invite applications for the Dr. Kenneth B. and Karen S. Heithoff Scholarship from individuals who have been admitted to the Medical School as members of the Class of 2022.

Two non-renewable $20,000 scholarships will be awarded to two separate first-year students (one scholarship each) to be paid in the first year of medical school. Applicants must have grown up on a farm in Minnesota.

The scholarship honors the lifework of Dr. Heithoff and expresses his appreciation for the financial support he received from the Minnesota Medical Foundation (now the University of Minnesota Foundation) while he was a medical student. Dr. Heithoff graduated from the University of Minnesota Medical School in 1969.

If you fit the criteria outlined above and wish to be considered for the scholarship, please complete the application below and submit it using one of these methods (United States Postal Service mail, in-person delivery, fax, or email) to:

University of Minnesota Medical School
Financial Aid Office
MMC 293 / B606 Mayo Building
420 Delaware Street SE
Minneapolis, MN 55455-0374
Fax: 612-625-7655
Email: msfao@umn.edu

The application must be received by Thursday, March 1, 2018.
DR. KENNETH B. AND KAREN S. HEITHOFF SCHOLARSHIP
APPLICATION

Name _____________________________________________________________

Address __________________________________________________________

City __________________________ State __________ ZIP __________

Email address ________________________________________________

Where did you attend undergraduate college?
   • Undergraduate major:
   • Undergraduate GPA:

Volunteer/extracurricular experiences:

Awards/honors:

What inspired you to pursue medicine?

What inspired you to choose the University of Minnesota Medical School?

Have you attended graduate school? If yes, please share school, location, area of study, and/or degree earned (e.g., University of Minnesota, Twin Cities, MBA).

In a one-page typewritten essay, describe your qualifications as they relate to your upbringing on a Minnesota farm. It will be particularly useful to learn of any connections or relationships between that upbringing and your decision to pursue a medical career.
