Remaining coursework, year 1 and 2 students:

Exams to complete: USMLE Step 1 USMLE Step 2CK USMLE Step 2CS

RATE YOUR READINESS TO RETURN

Readiness to resume clinical education and/or your academic readiness (knowledge, skills): *Please be honest*

Ready Not ready—rusty clinically, need clinical practice, need to review preclinical coursework, etc...

Plan: *If you feel you are not ready, what are your plans to get better prepared before you reenter the curriculum*

CHECK ALL BOXES TO SHOW THAT YOU UNDERSTAND EACH OF THE REQUIREMENTS BELOW

I understand that prior to re-entry I am required to do the following

Ensure I am compliant with all required student compliances, including: Immunizations (including flue shot), Bloodborne Pathogen Training, Privacy and Security (HIPAA) Training, BLS certification, and the State Criminal Background Study. You are able to view your status for each via the medical school MEdIS system at <https://medstudents.ahc.umn.edu/>. Once in MEdIS, under the "Quick Links" tab, choose the "Tracking & Trainings" option.

Contact Kristin Basballe (Twin Cities Campus, B686 Mayo, parrx008@umn.edu, 612-624-7675) to make sure medical school financial aid is ready upon return

If you feel you are unprepared to return, or would just like to talk with an individual to see what you can do to better prepare, please contact Scott Slattery, PhD, Director of Learner Development at slatt008@umn.edu or by phone at 612-626-7196 or Michael Kim, MD, Assistant Dean for Student Affairs at mikekim@umn.edu or at 612-625-5180

See next page for additional resources

Office use only
