

UNIVERSITY OF MINNESOTA MEDICAL SCHOOL

MD/PHD ELECTIVE CREDIT TRANSFER REQUEST FORM

MD/PhD students may request up to six credits of PhD coursework (not counting thesis credits) to apply as elective credit for the MD degree. To request transfer credit, complete this form and attach a syllabus for each requested course that is not pre-approved (see MSTP office for pre-approved list). Submit the completed form to the MSTP office for approval.

Student Information

Student ID	Name (first and last)
UMN email address	Graduate program

Courses for Transfer

Enter the course number (ie MICA 8002), number of credits and the term and year the course was taken. The MSTP office will indicate if the course is on the pre-approved list.

Course #	Credits	Term/year taken	Pre-approved? Y/N

Student Signature

Sign and date below, then submit this form to the MSTP office for approval.

Student Signature	Date	Syllabus attached? Y/N
-------------------	------	------------------------

Approval and Processing Signatures

MSTP office approval	Date
Education office approval (required only for courses not pre-approved)	Date
Records office processing	Date
