

Silent Auction Action Steps

1. Riders will contact 10 local businesses to request items.
2. Once a business has agreed to donate an item or several items, make sure you have time to pick it up before the June 2018 silent auction.
3. Send a brief description and approximate value of the items including the business name and contact name to dmedalumni@d.umn.edu
4. We will provide space at the silent auction for your item(s) and announce the business name when sharing the final bid winner.
5. Bring the item(s) with you to the silent auction event and check-in with staff volunteers on where to place your sponsored items.
6. Enjoy the silent auction! [time & location TBD]
7. Send thank you cards to your sponsors.

We had a few riders in 2017 who donated their own items. We had football tickets, homemade quilts, jars of homemade salsa, corn in the hole game boards, and quite a few other unique ideas that worked great for the silent auction.

If this is more up your alley, please consider these action steps:

1. Plan out the items you'll personally donate.
2. Email a description and approximate value to dmedalumni@d.umn.edu
3. Bring the item(s) to the silent auction event and check-in with staff volunteers.
4. Enjoy the silent auction!

If you can't make it to the silent auction, we will still collect your items and invite bids for them.

Please bring them to Medical School room #161
